Vol. 2, No. 32 — Authorized as second class mail by the Post Office Department, Ottawa, and for payment of postage in cash — EDMONTON, ALBERTA, OCTOBER, 1962 — Six Pages

FOR CHRISTMAS:

Over Half Plane Seats Filled

The Christmas flight, sponsored by the Scandinavian Centre, a non-profit representative organization in Edmonton and Alberta, for all Scandinavians, will be of five week's duration. It will leave Edmonton about December 12, providing all reservations are filled. The cost is $320 per person for members in good standing of the Scandinavian Centre Co-operative Association Limited.

Anyone interested in this flight should make the necessary $100 deposit soon. Inquiries should go to the director in charge, H. A. Hansen, 12921-109 Ave., phone GL 5-3070, or to Hans Kristensen, 11420 Jasper Avenue, phone 489-0958, or Harold Markstrom, 10535 Lauderdale Road, phone 474-4718.

The two previous chartered Scandinavian flights enjoyed tremendous success and resulted in a savings to the Scandinavian community of well over $50,000. Let us be a little retrospective and see what made them so successful:

Credit must go to the 11 directors, and particularly to Harold Markstrom and Hans Kristensen, for their untiring efforts and the hours of unpaid volunteer work.

Credit also must go to Wardair and staff for the excellent service rendered. On departure, all passengers gathered at the Macdonald Hotel for coffee. They were then taken by bus to the International Airport. All passengers report the wonderful treatment received, the good food and all the little things that make travelling fun.

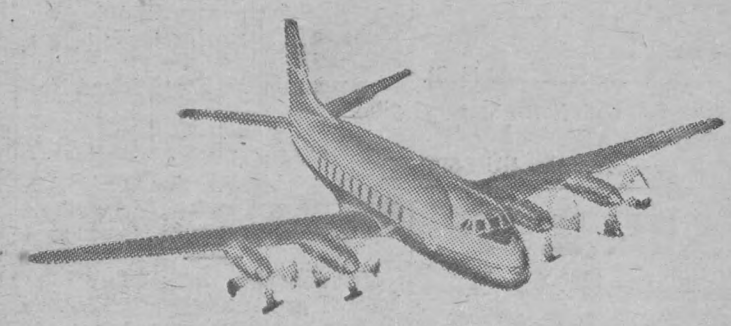
Wardair's service was exemplified when they handed the Scandinavian Centre a cheque for $300, to help pay the return ticket for Mrs. Otto Paulsen and son, who were forced to stay behind in Denmark because of the illness of Michael Paulsen. Wardair's generousity in this instance is appreciated and the way they handled these flights from beginning to end.

Another noteworthy service is the filming of the flights, so that all Scandinavians may share in some of the joys of the trip. These films were shown at the autumn dance September 22 and will be shown again on annual Scandinavian Night in January, 1963.

The work of the Scandinavian Centre News and the staff of volunteer workers who have done such a splendid job in promoting and advertising the Scandinavian flights must also be given full credit. Two highly successful meetings of the Scandinavian News Committee in September are reported by Mr. P. N. Christensen.

Finally, credit must go to the conveners of the Scandinavian program, heard Sunday afternoons on radio station CKUA. Erik Pedersen, convener of the Danish portion of the program, is the only one on the staff who has been with the program since its inception 10 years ago. At the present time, Professor Herman Tennessen is convener of the Norwegian portion, while Mrs. Nordin convenes the Swedish portion. As they celebrate their 10th anniversary, let us all show our appreciation of their efforts.

Having in mind the success of the past two flights, the prospects for future flights are excellent. More than half the number of bookings have been received for the Christmas flight and further applications are most desired.



PASSENGERS on the Christmas charter flight will fly in ultra-modern comfort across the ocean in a four-engine DC-6.

VASA LODGE PRESENTS 25 YEAR PIN TO LULA LUNDGREN

The final meeting at Vasa Park was held on September 1. Next meeting will be held in Edmonton at the IOOF Temple. Many thanks to Bill, Kay and Bud Holmgren for the signs they made for the entrance at the main road. The Christmas program will be held on December 16, in the evening. Initiations will take place at the October 6 meeting. Chairman for the smorgasbord, to be held on October 27 at 6 p.m., will be Eric Pierre.

Lulu Lundgren, a member of our lodge for the past 25 years, was presented with a 25-year pin.

A lunch was served and music followed by Sig Johnson. Next meeting will be on October 6 at 8 p.m. in the IOOF Temple. A dance will follow, at which everyone is welcome, so tell your friends to come and enjoy a good evening of dancing.

'Bikuben' Seeks Women Bowlers

"Bikuben" will meet on October 15, the third Monday of the month. This time it will be at Else Asmussen's home, 12824-104 Street, phone GR 9-5058.

We need a few more ladies to join our bowling league, which started on September 27 at the Scona Bowling Alley. We bowl every Thursday from 9 to 11 p.m. Please phone to Mrs. Haas, GE 9-4637, after 5 p.m. for more information if interested in bowling. We also need a few spares.

VASA LADIES TO MEET OCT. 13

The Vasa Ladies held their last meeting on August 22 in the home of Mrs. Magnus Pearson. Their next meeting will be held on October 13, at 8 p.m., at the home of Mrs. F. O. Simmons, 9740-83rd Avenue. All ladies are welcome to attend. The men also tag along and enjoy a get-together by themselves.

The ladies held their annual bazaar and coffee party on September 14 in the Hudson's Bay auditorium. The home baking was soon sold out and the day was a big success. A hand-crocheted tablecloth was raffled and won by Gladys Price, 12942-122nd St., holding ticket No. 3.

Sons Of Norway Bowling News

The 1962-63 bowling season is now underway. The Sons of Norway Bowling League have six to eight teams, with an objective of 10 teams if there are more lodge members who wish to join.

If you would like to join, please phone Ruth Logan, GE 9-0347, immediately.

Most of us got off to a slow start, but Frank Johnsrud rode a high of 267 for the men and Shirley Larson 196 for the ladies.

TICKETS READY, LUTEFISK DINNER

The night of the Lutefisk dinner so popular with everyone will soon be here again. Tickets are available and may be had by contacting Mr. H. Kristensen. Plan now for this night out with the family and get your tickets early.

Vasa Children Learning Swedish

The Vasa Children's Club had their first get-together on Sept. 16. This year, a new item added to their program will be teaching the children some practical Swedish words.

We hope the children will receive some benefit from these lessons. The next meeting will be held on Sunday, Oct. 14 at 3 p.m.

Brodcasts Ten Years

On Sunday, Oct. 28, there will be a special 10th anniversary program over radio station CKUA. It was 10 years ago that Erik Pedersen, Mr. Almerling and Mr. Madsen came on the air with the first Scandinavian Program.

Danish

Mr. Erik Pedersen has been on the air ever since, convening the Danish portion of the program. Mr. Pedersen comes from Randess, Jutland, Denmark. He had tried various occupations in Denmark and in Montreal, but it was not until he came to Edmonton that he found his real vocation—selling. He is presently appliance salesman at Woodward's main Edmonton store.

Norwegian

At present Professor Herman Tennessen is convening the Norwegian portion. Before coming to America he was associated with the University of Oslo and the Institute for Social Research. From 1957 to 1961 he was a Professor of Philosophy at the University of California, Berkeley, California. In July, 1961, he came to Edmonton to lecture at the University Summer Session, and liked Edmonton so well that he stayed on. He is presently a Professor of Philosophy at the University of Alberta.

Swedish

Mrs. Christine Nordin convenes the Swedish portion of the program. She was born at Jovle, Sweden, and came to Canada with her parents in the 'twenties. She is an efficient secretary, presently working for the construction firm of Brown and Root. She served four years in the Canadian Air Force. Her hobby is reading, and her favourite study is history. She is perhaps the best-informed person on Sweden in our midst. Her present most serious avocation is semantics.

Let us pay special tribute to all of the people on our Scandinavian Program. Let us show our appreciation of their untiring efforts by writing to any of them in care of Radio Station CKUA . . . and **don't forget** to send them **Congratulations** on their **10th Anniversary, October 28, 1962.**

Scandinavians Relive Visit To Copenhagen At Social

Scandinavians met at the Jubilee Auditorium on Saturday, September 22, for another friendly Scandinavian evening. Those who visited Scandinavia on the Chartered Flights this summer re-lived their experiences on film when Wardair presented "The Scandinavian Charter Flight to Copenhagen." The Social Room featured Carl Elgstrand, Lilly Taylor and their orchestra playing the good old Scandinavion music, while the Clubroom featured the modern trend "The Twist" with Al Ropchan and his Peppermints.

The foyer, with conversation, coffee and kringle, was a favorite corner.

Mr. H. A. (Gus) Hansen was in charge of arrangements, and he and his committee are to be complimented on the fine evening.

Mrs. Arne Johannessen won the evening's door prize.

Mrs. Irene Hovde rendered two very fine Norwegian solos.

Gymnastic Club

It is gratifying to see the number of girls taking part in our gymnastics this year. Monday, September 17 not less than 22 big little girls ranging in age from 5 to 13 enjoyed the first night's exercises and they came back just as eager the following Monday. The "Ladies Keep Fit" began at 8 p.m. with 15 taking part and by the second night this increased to 24. The "Ladies Rythmic" group started out at 9 p.m. with approximately 15 and the same number the following Monday.

We are very fortunate to have Mrs. Bente Hagen and Mrs. Lisse Christensen to instruct these teams, we frankly wouldn't know what to do without them. The boys began Wednesday, September 19 and 21 boys were there from the start. They promise to be in top shape by April. "Men's Keep Fit" had a workout at 7:45 p.m. with Otto Henriksen instructing and a dozen men taking part. At 8:30 p.m. the advanced team began the winter season.

We hope they will advance in numbers too. Come on Men! Turn that TV off—once a week. Speaking of TV while this is being written, plans are in the making to have CBC TV news visit our training and spread the knowledge of our group a little further afield.

SITE FOR THE NEW CENTRE

Harold Markstrom and his committee have located a spot at 125 Avenue and 142 Street which the Directors think ideal as the location of the new Centre. Go and see it for yourself, and let us know what you think. The committee is negotiating with the City fathers with regard to the purchase price. THE SCANDINAVIAN CENTRE IS REALLY ON THE MOVE.

CANADIAN VISIT

For all of you who have friends and relatives in Scandinavia who want to visit Canada, be sure to contact Hans Kristensen at the address given above. The DANSK-KANADISK VENSKAB FORENING (The Danish-Canadian Friendship Club) in Copenhagen is planning a charter flight with Wardair for the end of June or beginning of July, 1963. This will be a real opportunity for your friends to make a return visit on a low-cost fare. We understand that similar action is being taken in Stockholm, Sweden.

NOTE: Over 1,000 Scandinavians have purchased shares totalling $78,057.14 at the time of writing.

Now, they say the proof of the pudding is in the eating. All the passengers report the wonderful treatment they received, the good food, and all the little things that make travelling fun. I hope that some of our travellers will tell their own stories through the columns of this paper.

WHAT OF FUTURE FLIGHTS?

With the tremendous success of the past flights, the success of future flights is assured. Two flights are now in the planning stage. Let me tell you about them:

THE CHRISTMAS FLIGHT

This flight will be of five weeks' duration, leaving Edmonton about December 12. The cost is only $320.00 per person. All those interested must make their $100.00 deposit soon (see advertisement elsewhere in this paper). All inquiries should go to the Director in charge, Mr. H. A. Hansen, 12921 - 109 Avenue, Phone GL 5-3070, or to Mr. Hans Kristensen, 11420 Jasper Avenue, Business Phone 488-6223, Residence Phone 489-0958, or Mr. Harold Markstrom, 10535 Lauderdale Road, Phone 474-4718.

THE SUMMER FLIGHT, 1963

This flight will leave about the end of June or the beginning of July, and be of six weeks' duration. As this is the most popular flight, you should get your reservations in early. All inquiries about this flight should be made to the Director in charge, Mr. P. N. Christensen, 10951 - 164 Street, Edmonton, Residence Phone HU 9-4806, Business Phone GR 7-3501.

42 Icelanders Tour No. America

A busload of singing, dancing Icelanders, who are winding their way from New York to Seattle, were greeted by an old friend when they stopped overnight in Bismarck on Thursday.

The 42 Icelanders constitute the first organized group from their country to tour the United States and Canada. Ranging in age from 11 to 73 years, the 42 represent a cross-section of Iceland.

On hand to greet the busload of Icelanders was Gudmundur Grimson, former justice of the state supreme court. A native of Iceland, the judge was three years old when he came to the United States, where he became a well-known figure in the field of jurisprudence.

"They had all read about me," laughed the judge. "We were so happy and honored to meet him," said one of the touring Icelanders.

Captain of the crew and "chief nose-counter" is the Rev. B. Fridriksson, who said he and his group came to "see the country and visit relatives." Special plans include a visit to the Seattle World's Fair.

"What surprises us most, of course, is the wideness and greatness of both the United States and Canada," noted Rev. Fridriksson. "We all are very fond of the attitudes of the peolpe — their free and friendly attitude. And we like the road system."

As their bus driver pointed out, the Icelanders are a happy bunch of people. "They sing like crazy — and sometimes they get up and dance in the aisles. What a wonderful people."

Birthday Wishes

A happy birthday to all our members celebrating days in October and especially to—

Mrs. Wm. Anderson, Oct. 27, and to Mrs. F. Frederickson, also celebrating a birthday Oct. 27.

THE LETTER BOX

As we have been receiving letters from various readers requesting that these be published, we have decided to start a "Letter Box." We will welcome letters on pertinent subjects and be glad to publish them. The following are two letters which were received recently:

Dear Editor:

If it is possible to present a few personal thoughts in our paper, I would like to do so.

Why is it that all the various lodges seem to be such a closed circle? I would like to see much more co-operation between them, not so much in their business meetings as in their enterprises. By doing so, they would help the Centre and themselves, as many more people would take part in and enjoy their efforts.

As it is now, it seems like every little group is enough in itself. To me it looks like a rather selfish and very narrow-minded outlook, and probably very costly at that.

What about inviting other than their members — making a direct effort to bring people together—co-ordinating their dates, etc.? I think much remains to be done in this regard.

"The Scandinavian."

Dear Editor:

There has been a great deal of controversy lately about a Canadian flag. Many people favor the Red Ensign as being Canada's national flag. I do not.

Canada is composed of people of many ethnic origins — who are first and foremost Canadians. Our flag should be distinctively Canadian — one which represents Canada — not one which represents the origin of three or four nationalities. If it comes down to "who was here first," it might be argued that Leif Erickson discovered North America — so why not a flag symbolic of the Vikings?

It doesn't seem to me that there should be any problem in the design of a flag which is representative of Canada as a whole.

"Canadian."

Twin Sisters Visit Thorvaldson Home

Recent visitors at the Thorvaldson home were Gloria and Gladys, Gunnar's twin sisters from Winnipeg. Nineteen years of age and strikingly beautiful, the girls were interviewed by a local radio station and also a teenage magazine while attending a fashion show during their short stay in Edmonton.

NEWS FROM SOLGLYT LODGE

Congratulations of the community to Mr. and Mrs. A. Vanoni on the birth of a daughter, Janice Fay, born August 31, at the Misericordia Hospital.

Mr. and Mrs. K. Amdam and Arleen took 15 days' holiday in September, making a trip to the States, covering approximately 4200 miles. They called on relatives in San Francisco, California, and visited various points of interest. Their return trip included the Fair at Seattle, then on to Vancouver, B.C. and back home by Rogers Pass.

Mr. and Mrs. M. McGinnis and family had an enjoyable trip in August through Peace River, Dawson Creek and Fort St. John.

Mrs. Peter Sather, accompanied by her sister and brother-in-law, motored to Whitehorse, Yukon the first week in August. After spending a few days in Whitehorse, Mrs. Sather flew back to Edmonton. Nearing Edmonton, they flew into an electric storm. Except for this incident, Mrs. Sather enjoyed her first plane trip very much.

Allen Sather, son of Mr. and Mrs. P. Sather, is attending high school at Camrose Lutheran College.

Mrs. Mina McDonald returned home Sept. 1st from an enjoyable five weks holiday, in which she covered nearly 6,000 miles by Scenic Cruiser Bus. She visited her daughter Shirley and family in Los Angeles, with her daughter and family and son Jim.

A week was spent at the fablous Tahoe Lake. Other famous points visited were Virginia City, exploring the Gold Mine of 1870, travelling over the Sierra Nevada mountains and the desert of Nevada. Mrs. McDonald returned home via Minneapolis, where she attended the Supreme Convention, and later visited her sisters in North Dakota.

Mrs. McDonald is happy to report that Alberta highways were of the best. Jimmy McDonald spent two weeks holidays in Los Angeles and returned home by plane.

Betty McKevitt spent an enjoyable holiday in August visiting at Vancouver and took in the Victoria Centennial celebrations.

Mr. and Mrs. Halvor Johnson had as recent visitors Mr. and Mrs. M. Myhre and Arvid of Fort St. John. Arvid became the proud owner of a car while here which he drove back to Fort St. John.

Karen Barber has returned to Edmonton after two months of advanced ballet dancing in London, England. She is now on the teaching staff of Muriel Taylor's dancing school.

Mr. and Mrs. Peter Sather and family motored to the west coast the later part of August and visited with relatives near Mission City.

Irene Lagergren and her mother spent three weeks in August at Vancouver and Penticton, B.C.

FINNISH SOCIETY NOTES

A meeting of the Board of Trustees will be held October 8, commencing at 8 p.m., at the home of T. Salomaa.

The Finnish Society wishes to send their sincerest thanks to Mrs. L. Vesalainen for her contribution of drama books to the Society.

Leslie Rama, accompanied by Mrs. T. Kumpula, motored to Santa Ana, California, on their vacation. They are visiting Leslie's brother-in-law and sister, Mr. and Mrs. M. J. Demer and family.

The Finnish Society Ladies contributed some of their national food for the international supper at the general meeting of the Citizenship Council, which was held on the 24th of September.

The first Finnish dance of the season was held on September 8 and a fairly good crowd of people was in attendance to enjoy the program, refreshments and the dance which followed.

Handball Club Elects President

The annual general meeting of Freja Handball Club was held in the Masonic Temple on Sept. 18, 1962. The election of new officers were as follows: President, Helge Nielsen; vice-president, Erling Sorensen; secretary, Eva Jespersen; and treasurer, Ilsi Christensen; and two substitutes John Fischer and Chris Jensen.

Winter practise will start Oct. 2, 1962 at the Strathcona Composite High School, 76 Avenue and 104 Street at 7:30 p.m. We would very much like to see some new members come to play handball. Support your Danish Club to make it worthwhile.

Wardair Ltd. Pays To Transport Sick Boy, Family Home

THANK YOU

We would like to take this opportunity to thank most sincerely all those who offered their best wishes during the sickness of our son while in Denmark. He is now back with us and well again.

We would also like to extend our special thanks to Wardair and to the Scandinavian Centre, who covered the expense of the return trip to Canada.

Otto and Inge Paulsen.
